

be in C.C. this summer. I'm
glad because Aunt M. would
be pretty lonesome all alone. The
school will soon be over & I
hate to think of it. I have
joined a circulating library at a
local stationary shop & have
read two books. His children's
children by Arthur Train & The prisoners
who sang by Johan Bojer & the
last one is very good. Well I
guess I'll get this in the
box before it gets too late.

dear mama

Eustis Minn.

It has been a very bad day
here & a bum concert. I went
down to the Greek Presb. Ch.
on 5th ave. and stood in line
for about $\frac{1}{2}$ hr. I heard the music
but could not get far enough in
to see much. I left in the
pouring rain & came home in
the bus. My cold is lots better
now & I think I'll feel fine
tomorrow. Mrs H. changed her
plans for Sunday & that's the reason
I did not go to Elizabeth. I went
down to Willoughby's yesterday &
purchased Graflex Camera (used ones)

They have a peach of a 3a. P.C. size for £8. with
a lens I could use on my other outfit it would
cost around \$1.25. new & they guarantee all
used stuff to be as good as new. I'll not
do anything definite however until I'm sure
about my camp. I wonder if I were in a
tight pinch I could borrow \$50. of you or D?
I may not need any extra but I might &
I'd be glad if you could spare that much.
Don't feel bad if you can't but if I have
to buy new stuff I might be short. ~~Oh~~
I'm anxious to hear from the camp & expect
to within a few days. Of course it does
not begin until the first of July so I'll
have a month & maybe 6 wks. (if I don't go to
Saanon) to exist I'm going to try & land a
Kodak finishing job tho' if possible there
is nothing doing in the studios most everybody
of any consequence at all leaves N.Y. in
summer & the studios close. I am still
enjoying the fudge etc. It is remarkable
how well it kept. It's too bad that
June will be away so much this summer.
I wish I were going to be nearer home.
I haven't any idea when I'll be or
what I'll be doing but am in hopes of
getting a place where I can earn enough
to pay my debts. I guess Max is going to
